An exceptional Italian 19th-century Florentine ebony, burl walnut, giltwood and pietra dura side table. The side table is raised by its original casters below elegantly scrolled feet with carved fitted geometric patterned giltwood fillets. With block cabochons and rosettes, each of the four legs display fluted giltwood designs and are connected by an X shaped stretcher. Above is the striking pietra dura inlaid top with a wonderfully executed and colorful central flower basket set on a Black Belgian marble background and framed within a Greek key designed inlaid Malachite fillet and all set within a most decorative burl walnut border.
