A most elegant pair of French 19th century Louis XVI st. Mahogany and ormolu cabinets. Each two door one drawer cabinet is raised by a straight base with a fine mottled border and cut corners below striking fluted columns leading upwards flanking the doors. The doors each display decorative recessed panels framed within mottled borders and pierced ormolu keyhole escutcheons with tied fabric designs and the doors opening to reveal one adjustable shelf and all original top to bottom hardware. The drawer also displays a fine keyhole escutcheon, beautiful richly chased berried laurel pulls, and flanked by striking finely detailed ormolu corner rosettes. The cabinets display a French polished finish with the sides and top showcasing the beautiful Mahogany wood grain.
