A stunning pair of French 19th century Neo-Classical st. ormolu and patinated bronze six light sconces. Each sconce is centered by a charming patinated bronze winged cherub, above a finely chased ormolu acanthus leaf backplate. The cherubs arms are raised above his head holding up six arms ormolu sconces. The 'S' scrolled reeded cornucopia ormolu arms are decorated by acanthus leaves and a rosette ending with a saucer and candlecup. All original gilt and patina.
