A beautiful pair of Italian 19th century giltwood and crystal eight light chandeliers. Each chandelier has a carved giltwood central fut with an inverted gilt iron foliate bottom finial and hanging crystal sphere. The eight scrolled gilt metal arms end in metal flower motifs under the crystal saucer.

The arms are joined by glass garlands accented with rosettes and pear shaped cut crystal pendants. Two additional gilt iron sprays decorate the central fut adorned with glass garlands, rosettes and various shapes of crystal pendants. All original gilt throughout.
