An outstanding and high quality pair of French mid 19th century Louis XVI st. ormolu and Malachite three arm candelabras. Each candelabra is raised by a square Malachite base with fine topie shaped ormolu feet. The square shaped stepped central supports lead up to spiral fluted urns with richly chased Satyr handles at each side. Above are exquisite and intricately detailed branches seemingly growing out of the urn and decorated with beautiful floral accents ending in charming rose bobeches. All original gilt throughout.
