A handsome Italian/Tuscan 18th century walnut two door buffet/credenza. The buffet is raised by square supports all below a mottled band. The two central doors are designed with recessed panels with a mottled trip. Each door has a most impressive brass pull, iron hinges and key hole escutcheon. The two doors are flanked by the outer vertical panels with mottled trim recessed panels which are then repeated the same on both sides. The top shelf is above the trimmed apron. All rich and warm patina throughout. Wonderfully decorative and proportioned.
