A most elegant French 19th century Louis XV st. tulipwood and kingwood desk. The desk is raised by slender tapered cabriole legs with fine fitted wrap around foliate sabots and lovely ormolu chutes that lead up to richly chased foliate corner mounts. The elegant scalloped shaped apron displays one central drawer decorated with a striking and finely detailed pierced palmette and acanthus leaf mount in a beautiful satin and burnished finish set on a lovely tulipwood background. The sides and back are decorated in the same manner with fine foliate ormolu fillets extending throughout. Above is the original gilt tooled fitted leather writing surface framed within a kingwood border with impressive foliate ormolu corner mounts. All original gilt throughout.
