A very elegant French 19th century Louis XV st. giltwood mirror. The original mirror plate is framed within a beautiful mottled frame. At the base are lovely scrolled designs with striking carved reeded scrolls at each side and centered by charming flowers. Finely detailed floral garlands extend up each side and lead up to additional most decorative scrolled foliate elements. The top crown displays an exceptional family crest flanked by fine flowers in a rich satin and burnished finish. All original gilt throughout.
