A superb French 19th century Louis XVI st. Mahogany and ormolu desk. The desk is raised by elegant slender square tapered legs with fine ormolu sabots and a lovely ormolu band at the corners leading up to mottled top caps. The frieze displays three drawers each decorated with beautiful berried laurel wreaths and palmette keyhole escutcheons framed within decorative mottled ormolu fillets. The sides and back are decorated in the same manner with panels showcasing the warm Mahogany grain. Above is the fitted gold tooled leather top framed within a mahogany border with a most decorative and richly chased wrap around ormolu band with a lovely draped tassel designed gallery. All original gilt and patina throughout.
