A very elegant pair of French Louis XVI st. 19th century cobalt blue Sèvres porcelain and ormolu lamps. Each lamp is raised by a square ormolu base with a reeded design on all sides, rounded corners and egg and dart top decoration. The baluster shaped porcelain urns have a bottom gilt band. The urns are flanked by two S scrolled ormolu handles decorated by acanthus leaves. The rim of the urns have an ormolu foliate designed mount.

Wonderful scale and proportions throughout.
