A charming French 19th century Louis XVI st. ormolu and patinated bronze urn. The urn is raised by a square Rouge Griotte marble base below the socle pedestal with a fine berried laurel band and fluted designs with a hammered pattern. The reeded urn is centered by a smooth cabochon with a tied ribbon and richly chased swaging floral garlands. Sitting at each side, above a fine tied ribbon, are wonderfully executed and detailed patinated bronze cherubs. The urn is also finished on the inside. All original gilt.
