A most elegant pair of French 19th century Louis XVI st. Vert de Patricia marble and ormolu lidded urns. Each urn is raised by a square marble base with a fine circular twisted designed ormolu trim below the socle pedestal with a mottled border. Above foliate ormolu mounts, the body displays richly chased rams heads at each side, connected by striking swaging floral garlands in a fine satin and burnished finish. The removable ormolu lid displays an acorn finial and rests on a pierced lip.
