A sensational Italian 18th century Louis XVI st. giltwood mirror. The original rectangular mirror plate is framed within a finely carved giltwood border with a lovely twisted ribbon and beaded design. Above is the stunning pierced top crown centered by a striking medallion of the god Apollo with a lyre in his hand, draped in period attire and set on a blue patinated background. Wonderfully executed scrolled foliate movements with charming leaves and detailed flowers extend down each side. All original gilt throughout.
