A charming and most attractive French 19th century Louis XV st. patinated wood, giltwood and Brèche Violette marble wall mounted console. The console is raised by beautiful cabriole shaped patinated green supports with fine scrolled feet and adorned with decorative giltwood acanthus leaves. Each support is connected by a mottled stretcher centered by a richly carved woven basket with striking intricately detailed flowers. The top of each scrolled support displays a unique pierced design and leads up to the lovely scalloped shaped frieze. The frieze is centered by an impressive pierced seashell reserve, flanked by fine foliate movements and remarkable pierced floral giltwood reserves. Above is the original Brèche Violette marble top with a fine mottled border.
