A spectacular early 19th Century Neo-Classical st. ormolu and crystal fourteen light chandelier. At the top crown is an ormolu crystal beaded spray with prisms and a stunning lit dome with rows of crystal beading. At the base of the dome is an ormolu band with beaded prism pendants. Draping crystal beaded strands join the dome to a central lit ormolu surround below with six 'C' scrolled arms. Each arm with lion head ormolu medallion ends with an ormolu saucer and candlecup, both the arms and saucers are surrounded by beaded prism pendants. Alternating between the arms are ormolu arched beaded design elements with beaded pendants ending in a striking small crystal dome pendant resembling a mini chandelier. Suspended below by beaded supports is a pierced and lit circular base topped by an ormolu gallery with beaded prisms pendants below and surrounding the sides. All original crystals and gilt.
