A stunning and extremely decorative Russian 19th century Neo-Classical st. ormolu, crystal and cobalt blue glass chandelier. The eight arm chandelier is centered by a beautiful bottom crystal ball with a fine etched star below a richly chased ormolu floral reserve centering the exceptional cobalt blue fitted glass tier. At the border is an elegant pierced wrap around ormolu band with lovely intertwining berried laurel branches and ribbons with sensational large palmettes and adorned with a superb array of prism shaped cut crystal pendants from where the arms branch out. Each arm displays a lovely elegantly curved design with flared bobeche and baluster shaped candle cups each connected by elegant swaging beaded garlands and additional prism shaped cut crystal pendants. At the center is a most decorative urn shaped ormolu reserve with finely detailed leaves and additional stunning palmettes branching upwards with lovely glass batons leading to additional beautiful palmettes at the top crown.
