A handsome French 18th century Louis XVI st. Oak buffet. The three door one drawer country buffet is raised by elegant block feet with a fine mottled band which extends upwards and along the border of the buffet. Above the straight frieze are the three doors with the central door displaying beautiful recessed mottled designs repeated at the drawer and with the outer doors displaying unique and most decorative curved arched designs each retaining their original brass pulls and keyhole escutcheons. The doors each open to reveal one shelf, finished recessed designs on the inside of the doors and all original hardware. The sides are each decorated with two recessed mottled panels while the top showcases the beautiful warm wood grain.
