A stunning and most impressive French 19th century Belle Époque period ormolu and Arabescato marble pedestal/plant stand. The plant stand is raised by handsome richly chased paw feet below three impressive scrolled legs each connected by scrolled supports and a circular stretcher with an elegant wrap around Vitruvian scroll band. Leading upwards are lovely laurel branches below striking intricately detailed large acanthus leaves in a rich satin and burnished finish and spectacular open winged maidens in beautiful armor. Above is the circular Arabescato marble top with a fine stepped mottled and elegantly curved design, a beaded wrap around ormolu band, and a fitted berried laurel band.
