A handsome and most impressive French 19th century Charles X period patinated bronze and ormolu floor lamp. The lamp is raised by four striking patinated bronze lion paws and legs separated by finely detailed palmettes. Large richly chased acanthus leaves in a satin and burnished finish encase the central support at the base and lead up to an elegant tapered fluted design. Above is an outstanding scrolled capital with a stunning and finely detailed perched eagle. Shown with our signature Cedric DuPont Antiques two tone pin tuck silk shades.
