An impressive and most decorative French 19th century Empire st. mahogany and ormolu center table. The circular table is raised by fine bun feet below elegant scrolled legs with handsome ormolu paw feet, recessed carved pierced panels, and foliate rosette designed ormolu mounts. Each leg is connected by a striking 'X' shaped stretcher with unique and most decorative scrolled movements centered by the impressive ball shaped finial on a richly chased tapered acanthus leaf ormolu support. Above each leg are charming rosettes and finely detailed pierced foliate and palmette ormolu mounts centering a star. The circular top displays a stunning sunburst veneered design showcasing the beautiful warm flamed mahogany grain.
