A most elegant French 19th century Louis XIV st. ormolu six arm chandelier. The chandelier is centered by a beautiful bottom acorn finial below lovely pierced scrolled designs. Each lightly curved arm displays richly chased mask, fine acanthus leaves and intricately detailed foliate candle cups. The central fut displays three handsome scrolled elements decorated with floral designs and seashell cabochons which encase a triangular shaped reserve in a fine satin and burnished finish. Above is the striking canopy with additional richly detailed masks, palmettes and foliate designs.
