A most elegant French 19th century Louis XV st. Kingwood, Tulipwood, and ormolu bureau plat. The desk is raised by slender cabriole legs with fine fitted foliate ormolu sabots and striking richly chased foliate ormolu corner mounts in a beautiful satin and burnished finish. The arbalest shaped frieze displays two drawers with butterfly veneered backgrounds showcasing the remarkable wood grain and centered by a circular ormolu pull while the sides and back are decorated in the same manner. Above is a fitted brown leather writing surface with elegant gold tooled foliate designs framed within a Kingwood and Tulipwood border. All original gilt throughout.
