An exceptional French 19th century Louis XVI st. Belle Époque period ormolu and Alabastro Fiorito marble side table. The table is raised by beautiful and most unique lightly curved foliate feet below the three circular tapered fluted legs with striking urn of prosperity top caps. Each leg is connected by a superb pierced central wreath shaped stretcher with floral designs. Above each leg are block reserves with charming tied ribbons flanking stunning richly chased Vitruvian scroll designs that wrap around the apron. The original Alabastro Fiorito marble top is fitted within a richly chased mottled foliate and beaded wrap around band.
