A beautiful and most elegant French 19th century Louis XVI st. Belle Époque period ormolu and crystal lantern. The lantern is centered by a lovely pine cone and foliate bottom ormolu finial below the exceptional crystal body displaying striking floral, fluted and lattice designed cuts and housing one light bulb. At the center is a fine wrap around mottled band with charming rosettes, palmettes, and three exceptional richly chased rams head centering curved elements adorned with delicate rosettes leading to the superb eternal flame finial. Three chains lead upwards to the most decorative top crown with finely detailed acanthus leaves and striking unique foliate crystal designs. Some chain can be removed to shorten in height.
