A stunning and extremely high quality French 19th century Louis XVI st. Belle Époque period ormolu and Rouge Griotte marble statue. The statue is raised by exceptional acanthus leaf ormolu feet below the most elegant thick

Rouge Griotte marble base with a beautiful rounded front and most decorative double mottled band. Above is a beautiful maiden seated on a column with her hair tied in an updo and draped in a wonderfully executed flowing dress. She is holding a plaque in her right hand and has taken one of her shoes off to rest her foot on the column. Wonderful attention to detail throughout.
