A charming and high quality French 19th century Louis XVI st. ebonized Fruitwood, onyx, patinated bronze and ormolu centerpiece bowl. The centerpiece is raised by four most elegant topie shaped feet below a rectangular ebonized fruitwood base with a fine mottled wrap around giltwood border and decorative patinated bronze band. At each side are charming richly chased cherubs draped in wonderfully executed flowing garments while kneeling on an onyx base centered by a beautiful floral ormolu reserve and holding the lovely oblong shaped patinated bronze bowl. The bowl is centered by beautiful finely detailed berried foliate designs with a central cameo below a reeded and mottled wrap around top band. The bowl also displays a finished ormolu interior. All original gilt and patina.
