A striking French 19th century Louis XVI st. giltwood and white Carrara marble console. The wall mounted console is raised by most elegant circular tapered legs with fine topie shaped feet below block rosette reserves, beautiful spiral fluted designs, and richly carved swaging floral garlands. Each leg is connected by a most decorative stretcher with a lovely beaded design and an impressive central urn flanked by charming finely detailed blooming floral garlands. Above each leg are block rosettes leading to the straight frieze with a beautiful twisted rope design, Les Oves pattern, and charming finely detailed berried laurel branches centering the impressive central cabochon reserve. Above is the original white Carrara marble top with an elegant mottled border.
