A handsome French 19th century Louis XVI st. mahogany and ormolu side table. The table is raised on fluted tapered legs with ormolu topie feet and finely chased ormolu top caps. The circular frieze has one central drawer, decorated with a pierced ormolu diamond shaped mount, with a star amidst foliate designs, that is repeated at each side. Also above each leg is a protruding block accented with a finely chased ormolu mask. All below the thick circular Vert Campan marble top.
