A striking and most decorative French 19th century Louis XVI st. Mahogany, ormolu and white Carrara marble side table. The elegant circular side table is raised by a triangular base with concave sides, cut corners and fine bun feet. The three square tapered legs display richly chased hoof feet below beautiful fluted designs and exquisite rams heads and swaging berried laurel garlands with each legs connected by a Mahogany central tier with an elegant wrap around ormolu gallery with lovely pierced geometric designs. Above remarkable finely detailed wrap around berried laurel branches is the original white Carrara marble top fitted within a mottled fluted ormolu gallery.
