A most elegant French 19th century Louis XVI st. mouchette Mahogany, Ormolu and marble buffet. The five drawer and two door buffet is raised by fine circular tapered fluted legs with ormolu sabots and fine decorative foliate top caps. At the center are two doors with three recessed panels showcasing mottled borders and beautiful mouchette Mahogany grain. The larger door is fitted with a lock which goes from the top to the bottom to avoid the doors from warping and opens to reveal one adjustable shelf. The doors are flanked by two half round fluted columns and two outer quarter round display shelves with their original mirror back plates. A decorative ormolu reeded band with a twisted ribbon design decorates above the doors. At the frieze are five drawers, each displaying beautiful and richly chased ormolu foliate keyhole escutcheons with fine berried laurel pulls and fine foliate ormolu mounts. Above lays the original marble top with a mottled border which follows the contours of the buffet.
