An elegant and most decorative French 19th century Louis XVI st. ormolu and Brocatelle marble gueridon side table. The table is raised by three beautiful lightly curved legs with richly chased paw feet adorned with fine acanthus leaves. Each leg is connected by an elegant pierced triangular shaped stretcher with concave sides and a central tier with fitted Brocatelle marble set within a mottled ormolu border. Above each leg are lovely scrolled designs with most decorative hanging ormolu hoops with the top also displaying its original fitted Brocatelle marble set within a fine wrap around mottled ormolu border.
