An exquisite and finely detailed French 19th century Louis XVI st. Ormolu and Crystal plafonnier chandelier. This stunning four light plafonnier is centered by an Ormolu acorn bottom finial below a sunburst foliate design from where the charming Crystal garlands lead out and upward. The circular cut Crystal garlands curve upwards passing swaging Crystal garlands with tear drop cut Crystals below the circular Ormolu frame. The frame displays reeded patterns throughout with rosettes and spheres equally spaced. The upper rim of the frame has wonderful pierced reserves of two griffins facing outwards and holding swaging foliate garlands while flanking a palmette with scrolled designs.
