An elegant and high quality French 19th century Louis XVI st. ormolu and onyx cache pot/desk organizer/centerpiece. The centerpiece is raised its original rectangular onyx base showcasing the beautiful marble veins. Above is a most charming and wonderfully executed ormolu cherub sat at the stern of a boat with an oar in his hands. The boat is seemingly splashing through waves with a lovely Vitruvian scroll design extending along each side and with a most impressive richly chased open winged swan at the front.
