A high quality and extremely charming French 19th century Louis XVI st. ormolu and Rouge Griotte marble statue. The statue is raised by an elegant circular Rouge Griotte marble base with a fine wrap around beaded ormolu band. The statue above is standing in a circular support with a ground like and lovely intertwined wrap around design. The charming and richly chased winged cherub above is standing with two dragon flies in his hand and draped in a fine flowing fabric. He displays a sweet grin and is wearing flowers in his hair. Lovely subject matter.
