A striking and most elegant French 19th century Louis XVI st. ormolu and Rouge Royale marble lamp. The lamp is raised by a square base with concave corners below the socle shaped ormolu pedestal support with fine wrap around reeded bands. The beautifully shaped Rouge Royale marble body is encased by beautiful foliate designs at the base with striking scrolled acanthus leaves leading up each side with a tied fluted band and charming intricately detailed cherubs sitting with their legs crossed. The top displays an exceptional richly sculpted mottled design with lovely ormolu foliate accents.
