A most elegant and unique French 19th Century Louis XVI st. ormolu and white Carrara marble Gueridon side table. The table is raised by beautiful claw feet grasping a rock below fine acanthus leaves. Each lightly curved leg displays a beautiful twisted design and are connected by a lovely fitted white Carrara marble tier with a mottled ormolu gallery. Above each leg are richly chased rooster heads in a striking satin and burnished finish holding intertwined swaging handles in their beaks. Above is the original white Carrara marble top fitted within a fine mottled ormolu gallery with a delicate beaded design. All original gilt throughout.
