A striking French 19th century Louis XVI st. ormolu chandelier. The twelve arm two tiered chandelier is centered by a fine mottled foliate bottom finial below beautiful berried laurel leaves below beaded and tied fluted wrap around bands. The circular central support displays most decorative arched fluted designs from where four pairs of elegantly curved fluted arms branch out leading to foliate beaded bobeches and delicate fluted candle cups.

Elegantly curved acanthus leaves with tied fluted bands lead upwards centering a richly chased inverted acorn finial and baluster shaped central foot with four additional arms all below the original chain and lovely fluted foliate canopy.

Height including chain: 49"
