An elegant French 19th century Louis XVI st. Rouge Griotte marble, white Carrara marble and ormolu low side table. The table is raised by elegant square ormolu feet below scrolled movements and a Les Oves pattern. The square rouge Griotte base displays a lovely tapered shape and concave sides.

At the center is the fine urn shaped ormolu support with elegant richly chased swaging berried laurel garlands and a reeded design. The circular white Carrara marble top displays a most decorative mottled border above a fine pierced ormolu band.
