A stunning and extremely high quality French 19th century Louis XVI st. Terra Cotta and giltwood statue, signed Carrier Belleuse. The statue is raised by its original circular fluted giltwood base with an elegant lightly curved design and wrap around beaded band. Above is a beautiful maiden draped in a wonderfully executed flowing dress. She is pouring an amphora while a curious and most charming young boy is standing at her side pulling himself up by an urn onto his tiptoes to peer into the amphora. Wonderful subject matter and attention to detail.
