A superb French 19th century Louis XVI st. walnut, giltwood, polychrome and Brèche Violette marble three tiered console. The console is raised by a handsome thick base with a fine mottled border and showcases a warm walnut grain. The two elegant square tapered supports display striking lattice designs on a recessed panel with lovely giltwood laurel accents. Above each leg are sunflower giltwood block rosettes flanked by polychrome seashell designs. Outstanding lattice patterns extend along the frieze and are decorated with charming giltwood floral accents which center a fine sunflower reserve. Above is the original Brèche Violette marble top.
