A stunning and most impressive French 19th century Louis XVI st. wrought iron, gilt metal, and Gris St. Anne marble console. The wall mounted console is raised on its original thick Gris St. Anne marble base with rounded corners and a fine mottled border. The two statement making supports at each side display a most decorative scrolled movement with beautiful pierced designs, exceptional richly detailed gilt metal acanthus leaves, and exquisite swaging berried laurel garlands. Above each leg are striking block rosettes flanking the pierced frieze with elegant oval reserves and an outstanding central rosette amidst superb scrolled designs. Above is the original Gris St. Anne marble top with a fine mottled border.
