A most impressive and unique French 19th century Neo-Classical st. Ormolu and crystal chandelier. The five arm, ten light chandelier is centered by three stunning tiers of prism shaped crystal pendants below an Ormolu band accented with overlapping laurel leaves. Five concealed light bulbs illuminate the interior of the three tiers and emit an elegant and warm glow. Stunning Ormolu ribbons lead upwards to luxuriant tied bows connected by impressive swaging foliate garlands and holding the five tassel like arms adorned with striking prism shaped cut crystal pendants. Additional ribbon like supports lead up to the elegant top crown with bottom tassels and a fanciful top bow.
