A striking French 19th century Neo-Classical st. ormolu and onyx side table.

The table is raised by three unique and most decorative circular onyx supports with handsome ormolu paw feet and elegantly curved legs. The base displays finely detailed palmettes and foliate finials flanked by decorative interlocking bands. The tapered central onyx column is decorated with wrap around ormolu accents. All below the original beautiful onyx top which is fitted within an ormolu gallery with impressive and richly chased scrolled foliate designs along the apron.
