An outstanding and extremely decorative French 19th century Neo-Classical st. patinated bronze, ormolu, faux painted marble, and Sarrancolin marble cocktail/coffee table. The circular table is raised by a stunning triangular patinated bronze base with concave sides below impressive large scrolled reeded supports adorned with large richly chased acanthus leaves and connected by a superb array of pierced foliate designs with ormolu accents. The original circular Sarrancolin marble top displays a fine mottled border above a striking wonderfully executed faux painted marble band.
