A most charming and wonderfully executed Italian 19th century white Carrara marble statue of a young girl, titled BUONANOTTE. The statue is raised by a circular base with a fine paver like design and the inscription BUONANOTTE at the front meaning good night in Italian. The lovely young girl is wearing her night robe and charming bonnet tied in a bow under her chin. She raises one hand to her face while the other is holding the side of her robe. Unique and lovely subject matter with intricate attention to detail.
