An exceptional and rare pair of Continental 19th century Louis XVI st. white Carrara marble, ormolu and petrified wood candlestick vases. Each vase is raised by a square white Carrara marble base and a lovely ormolu socle pedestal with an elegant foliate design. The beautifully shaped petrified wood body displays striking coloration and is encased by fine pierced foliate ormolu mounts in a rich satin and burnished finish. Elegantly scrolled handles extend up each side with large foliate elements and connect to the floral designed ormolu neck. The finished interior displays a candle holder.
