A beautiful and large scaled pair of early 19th century Imari urns mounted on French 19th century Louis XV st. ormolu bases. Each impressive vase is raised by beautiful richly chased pierced ormolu mounts with lovely scrolled foliate movements and fine fluted designs in a striking satin and burnished finish. The outstanding tall slender elegantly curved Imari vases display beautiful scrolled foliate designs and most decorative traditional patterns, and are also finished on the inside with lovely blooming flowers.
