A striking pair of English 19th century Regency period flamed Mahogany and ormolu cabinets. Each two door two drawer cabinet is raised by handsome richly chased ormolu paw feet below the straight frieze decorated with fine inlaid filets design. The doors at the center are decorated with a beautiful ormolu lattice design on a pleated gold silk fabric and open to reveal one shelf, two drawers and all original hardware. Above additional charming inlaid fillets is the French polished top showcasing the wonderful wood grain with a lovely reeded border and most decorative turned tapered reeded legs supporting the top tier.
