A stunning and high quality pair of French 19th century white Carrara marble, ormolu and patinated bronze candelabra lamps. Each six arm candelabra is raised by fine ormolu topie feet below the octagonal white Carrara marble base with a fine wrap around foliate ormolu band and a central circular fluted support with outstanding richly chased swaging floral garlands with charming tied ribbons. At the center are charming and finely detailed patinated bronze Bacchanalian cherubs seated on rocks while draped in fine ribbons and holding up the striking candelabras. Above are the beautiful and elegantly scrolled arms, each adorned with large finely detailed acanthus leaves leading to richly chased foliate candle cups centering superb grape clusters and grape leaves.
