A beautiful pair of French 19th century Louis XV st. kingwood, tulipwood, charmwood and ormolu side tables. Each table is raised by elegant slender cabriole legs with richly chased fitted foliate ormolu sabots. A fine ormolu fillet extends up the border of each leg and along the arbalest shaped frieze while above each leg are luxuriant foliate ormolu mounts in a rich satin and burnished finish. The beautiful top displays a charming central inlaid floral rosette framed within a stunning kingwood sunburst veneer, exceptionally inlaid floral movements set on a charmwood background and framed within a fine ormolu mottled wrap around band.
